Our story

Derek de Goey is the founder of Dry Drops, a company that has been growing since 2012. He is a passionate beer lover and wanted to create a brand that reflected his love for the craft. Dry Drops is a family-run business and Derek is proud to be part of it. He has a deep understanding of the craft and has been able to create a unique brand that has gained a loyal following. Derek is also a social media enthusiast and has built a strong online presence for Dry Drops. He is always looking for ways to improve the brand and is open to feedback from his customers. Derek is a true craftsman and his passion for beer is evident in every drop of Dry Drops.
